Technical drawing of a 3D structure, likely a piece of furniture or a container, showing dimensions in inches.

The structure is composed of several rectangular blocks. The overall dimensions are indicated by lines and numbers:

- Top Section:** A horizontal line indicates a width of 160 inches. A vertical line indicates a height of 63 inches.
- Bottom Section:** A horizontal line indicates a width of 85 inches. A vertical line indicates a height of 34 inches.
- Overall Dimensions:** A horizontal line at the bottom indicates a total width of 305 inches. A vertical line on the right indicates a total height of 400 inches.

The structure features a central vertical column and two side columns, with horizontal sections connecting them. The dimensions suggest a large, modular unit.

Technical drawing of a modular sofa, showing the front and side views. The sofa is composed of several rectangular sections. The overall dimensions are indicated by lines and numbers:

- Overall Width (Front View):** 305 inches (120 feet).
- Overall Depth (Side View):** 105 inches (41 feet).
- Section Widths (Front View):** 160 inches (63 feet) for the leftmost section, and 85 inches (34 feet) for the other sections.
- Section Depths (Side View):** 400 inches (158 feet) for the leftmost section, and 240 inches (95 feet) for the other sections.
